

Yarra Ranges Shire Council

Performance Statement

For the year ended 30 June 2023

Description of municipality - About Yarra Ranges Council

Yarra Ranges Shire is situated in metropolitan Melbourne's outer east, 30 to 110 kilometres from the Melbourne Central Business District. It covers 2,468 square kilometres in area, making it Melbourne's largest local government area. It is well known for its tourism and wineries, agricultural industry, and the natural beauty of the Dandenong Ranges.

The 157,339 residents live in more than 60 suburbs and townships. 52% of the population live in the urban areas of Yarra Ranges, which make up 7.3% of the total land area (including Coldstream). The remaining population is spread throughout rural areas.

The diversity of places, people, industries and attractions – dispersed over a wide variety of urban and rural communities - makes Yarra Ranges one of the most unusual municipalities in Victoria.

Sustainable Capacity Indicators

For the year ended 30 June 2023

Indicator	Results 2020	Results 2021	Results 2022	Results 2023	Variation
Population					
<i>Expenses per head of municipal population</i> [Total expenses / Municipal population]	\$1,206.66	\$1,200.62	\$1,331.87	\$1,434.98	This ratio has increased from prior years, due to Council's increased expenditure to support recovery from natural disasters and the increased costs in materials and labour to deliver services.
<i>Infrastructure per head of municipal population</i> [Value of infrastructure / Municipal population]	\$4,474.54	\$4,669.06	\$5,347.64	\$5,944.48	Increased spending on infrastructure maintenance and increased waste management services resulted in the increased ratio year-on-year. Also contributing to the increase was the revaluation of infrastructure assets that took place at year end, increasing building and infrastructure assets by \$31.6mil and \$29.4mil respectively.
<i>Population density per length of road</i> [Municipal population / Kilometres of local roads]	89.79	90.89	90.17	89.34	The rate of population has remained stable while Council's investment in roads has increased through the Roads for the Community Initiative.
Own-source revenue					
<i>Own-source revenue per head of municipal population</i> [Own-source revenue / Municipal population]	\$988.49	\$986.51	\$1,065.09	\$1,140.01	Higher than previous year due to a 1.75% lift in rate capping, increased collections from waste management charge and the reinstatement of infringement post the COVID-19 pandemic.
Recurrent grants					
<i>Recurrent grants per head of municipal population</i> [Recurrent grants / Municipal population]	\$190.34	\$190.83	\$266.33	\$246.25	Lower recurrent grants per head of municipal population has been impacted by the significantly reduced funding for aged care as a result of aged care reform.
Disadvantage					
<i>Relative socio-economic disadvantage</i> [Index of Relative Socio-economic Disadvantage by decile]	8	8	8	8	Relative socio-economic disadvantage has remained stable in Yarra Ranges throughout the pandemic years.
Efficiency					
<i>Workforce turnover</i> [Number of permanent staff resignations and terminations / Average number of permanent staff for the financial year] x100	10.97%	10.53%	21.15%	21.96%	Turnover increased after the COVID-19 pandemic and remained at a similar level during 2022/23, as more staff look to change careers post the pandemic and due to the restructure which took place within the Directorate's. A number of contractor roles have expired and were not renewed.

Definitions

Service Performance Indicators for the year ended 30 June 2023

Indicator	Results 2020	Results 2021	Results 2022	Results 2023	Variation
Animal management					Council has achieved 100% success in Animal Management prosecutions. 21 prosecutions took place this year, slightly less than the previous year but still consistent with historical trends
<i>Health and safety</i>					
Animal management prosecutions	100.00%	100.00%	95.65%	100.00%	
[Number of successful animal management prosecutions / Number of animal management prosecutions]x100					
Aquatic facilities					Utilisation of aquatic facilities substantially increased this year, which was expected as Covid-19 restrictions are no longer impacting these facilities. Visitor numbers would have been even higher if it weren't for vandalism of the inflatable dome at the Kilsyth Centennial Pool which forced it to be closed in February 2023. The pool has remained closed since. Additionally, the Monbulk Aquatic Centre which was closed the year before following damage from a fallen tree, was re-opened in September 2022.
<i>Utilisation</i>					
Utilisation of aquatic facilities	2.28	1.29	1.39	2.81	
[Number of visits to aquatic facilities / Municipal population]					
Food safety					Council observed an improvement in this space from the previous year. The overall number of number of critical non-compliance outcome notifications and major non-compliance notifications decreased this year, which was a positive sign.
<i>Health and safety</i>					
Critical and major non-compliance outcome notifications	88.64%	97.67%	72.97%	93.33%	
[Number of critical non-compliance outcome notifications and major non-compliance outcome notifications about a food premises followed up / Number of critical non-compliance outcome notifications and major non-compliance outcome notifications about food premises] x100					
Governance					The 2023 Community Satisfaction Survey found scored Council 48 for this indicator. Results were varied amongst different sub-groups of the community, with 18-34 year olds reporting the highest satisfaction score (53) and residents from the Yarra Valley region reporting the lowest satisfaction (41).
<i>Satisfaction</i>					
Satisfaction with Council decisions	53	56	54	48	
[Community satisfaction rating out of 100 with how Council has performed in making decisions in the interest of the community]					

Libraries					The proportion of active library borrowers across the municipality has increased slightly.
<i>Participation</i>					
Active library borrower	10.84%	9.80%	8.89%	9.03%	
[The sum of the number of active library borrowers in the last 3 financial years / The sum of the population in the last 3 financial years] x100					This indicator uses figures over the past three years so is still being impacted by lower visitor numbers during the Covid-19 pandemic. Council considers it will take another year to return to pre-pandemic levels.
Maternal and child health					
<i>Participation</i>					
Participation in the MCH service	75.49%	74.54%	74.93%	74.65%	Participation in Council's MCH service has remained consistent with levels seen in previous years.
[Number of children who attend the MCH service at least once (in the year) / Number of children enrolled in the MCH service] x100					
<i>Participation</i>					
Participation in the MCH service by Aboriginal children	72.08%	74.81%	79.00%	78.47%	Participation levels in the MCH service by Aboriginal children remain consistent with previous years. Yarra Ranges Council has continued working in partnership and close collaboration in ongoing engagement efforts with Aboriginal and Torres Strait Islander community services in addition to EACH and Best start.
[Number of Aboriginal children who attend the MCH service at least once (in the year) / Number of Aboriginal children enrolled in the MCH service] x100					
<i>Participation</i>					
Roads					The Local Government Community Satisfaction Survey reported that satisfaction with sealed local roads fell from 48 to 43 this year. Lower scores were reported by residents in the Hills and Yarra Valley regions, which were more adversely impacted by storms throughout the year.
<i>Satisfaction</i>					
Satisfaction with sealed local roads	53	49	48	43	
[Community satisfaction rating out of 100 with how Council has performed on the condition of sealed local roads]					
Statutory Planning					Council continues to see an increase in the number of matters being appealed at VCAT. The success rate of 62.50% includes both decisions overturned and also where VCAT varied the decision by amending conditions.
<i>Decision making</i>					
Council planning decisions upheld at VCAT	54.84%	88.00%	56.25%	62.50%	
[Number of VCAT decisions that did not set aside council's decision in relation to a planning application / Number of VCAT decisions in relation to planning applications] x100					

Waste Collection				
<i>Waste diversion</i>				
Kerbside collection waste diverted from landfill	51.22%	50.56%	50.15%	52.14%
<p>[Weight of recyclables and green organics collected from kerbside bins / Weight of garbage, recyclables and green organics collected from kerbside bins] x100</p>				

Results are consistent with previous years with a slight improvement. Total tonnages are slightly higher than the previous year though the tonnages of recyclables and green organics has increased more than garbage, resulting in a slight improvement in this indicator.

We expect the new Food Organics, Garden Organics service will improve this figure next year, since not all households have a green waste bin currently but will in the future.

Basis for preparation

Council is required to prepare and include a performance statement within its annual report. The performance statement includes the results of the prescribed sustainable capacity, service performance and financial performance indicators and measures together with a description of the municipal district and an explanation of material variations in the results. This statement has been prepared to meet the requirements of the *Local Government Act 2020 and Local Government (Planning and Reporting) Regulations 2020*.

Where applicable the results in the Performance Statement have been prepared on an accounting basis consistent with those reported in the Financial Statements. The other results are based on information drawn from Council information systems or from third parties (e.g. Australian Bureau of Statistics).

The Performance Statement presents the actual results for the year ended 30 June 2023 and for the prescribed financial performance indicators and measures, the results forecast by the council's strategic resource plan. The *Local Government (Planning and Reporting) Regulations 2020* requires explanation of any material variations in the results in the Performance Statement. Yarra Ranges Shire Council has adopted materiality thresholds relevant to each indicator and measure and explanations have not been provided for variations below the materiality thresholds unless the variance is considered to be material because of its nature.

The forecast figures included in the Performance Statement are those adopted by Council in its Budget 2023-24 to 2026-27 adopted on 27 June 2023 and which forms part of the Council Plan. The Budget includes estimates based on key assumptions about the future that were relevant at the time of adoption and aimed at achieving sustainability over the long term. Detailed information on the actual financial results is contained in the General Purpose Financial Statements. The Budget 2022-23 to 2025-26 is available on Council's website, www.yarraranges.vic.gov.au.
