

Recycle Right – Project Evaluation Surveys

Project information and prize draw terms and conditions

Yarra Ranges Council is conducting a prize draw as part of the evaluation of the '*Reducing Recycling Contamination in Yarra Ranges*' project.

The purpose of the prize draw is to encourage as many residents as possible to provide feedback on the campaign materials promoted and circulated across Yarra Ranges in each phase of the project.

The project is funded by the Circular Economy Councils Fund. The Fund is delivered by Sustainability Victoria under the Victorian Government's circular economy policy, 'Recycling Victoria: a new economy'.

PRIZE DRAW ELIGIBILITY

To enter a prize draw, a project survey and prize draw entry form must be fully completed and submitted by the closing date and time specified with each survey.

Surveys and prize draw entry forms can be completed online or using a printed form provided at Council Links.

Only one entry per resident per project phase will be eligible for each prize draw.

Prize draws in this project are open to residents of the Yarra Ranges municipality who are over 18 years of age.

Employees of Yarra Ranges Council are ineligible to enter prize draws.

Proof of identity and residence in the Yarra Ranges municipality will be required when claiming a prize. This may be in the form of viewing an original rates notice, driver's licence or other form of photo identification.

Surveys and prize draw entries must be received online, by mail or hand delivered to a Yarra Ranges Council Community Link office by 5pm on the closing date for each survey.

Yarra Ranges Council has no responsibility to accept late, lost or misdirected entries to the prize draw.
