

Excess Animal Permit Application (Printable Version)

Before Applying

- The Domestic Animal Act 1994 states all cats and dogs over 3 months old must be microchipped and registered with council.
- Any pets currently living at the property are required to be registered prior to this application being processed - you can register online <https://www.yarraranges.vic.gov.au/Environment/Pets/Pet-registration/Register-your-pet>
- If your pets are currently registered - proceed with this application
- You will require a current email address
- You will need proof of concession card if applicable
- You will need to know the size of your land metres square. To check click on [Intramaps](#) and type your property address in the search tab.

Privacy Collection Statement

Yarra Ranges Council is collecting your personal information and select documentation for the purpose of verifying your animal's details so we can determine the correct registration class and fee. This information may be disclosed to other institutions such as an applicable animal organisation or animal welfare group such as Animal Aid, RSPCA, DELWP, Government authorities and local councils if required as permitted by legislation. This information is being collected in accordance with the Domestic Animals Act 1994 and Council's Privacy Policy. If all of the requested information is not provided, Yarra Ranges Council may be unable to register your animal or provide you with any reduced registration fees. You may access your animal registration information by contacting the Business Operations - Animal Registration Team on 1300 368 333. For more general information, see our Privacy Policy at www.yarraranges.vic.gov.au.
